New Center Council invites you to a Press Conference Regarding Comerica Cityfest and a Ribbon Cutting announcing New Center Park

Please join New Center Council and the community for a press conference and ribbon-cutting ceremony for New Center Park, a half-acre green space renovated to include a glass/wood conservatory and other improvements that will allow for outdoor entertainment and community programming. The press conference will include comments from New Center Council President Michael Solaka and civic and foundation leaders. We will also make an announcement regarding our 21-year-old fundraising festival, Comerica Cityfest.
