SUBJECT: Release of Request for Proposals for the Development of Regional Entrepreneurial Collaboratives

Entrepreneurship is an integral part of Michigan's past, present, and future. Accessing entrepreneurial support services can no longer be a challenge in these economic times. To address this challenge, the Bureau of Workforce Transformation (BWT) is pleased to announce the release of a Request for Proposals (RFP) for the development of Regional Entrepreneurial Collaboratives (RECs).

This REC RFP offers self-defined regions an opportunity to prepare entrepreneurs for business start-ups and to create and/or enhance a comprehensive entrepreneurial support system. The RFP is both attached and posted on the Michigan Skills Alliances Web site at www.michigan.gov/rsa. The Bureau of Workforce Transformation will accept REC proposal submissions through Friday, June 25, 2010.

A Virtual Bidders Conference Webinar will be held on Wednesday, May 19, 2010 from 2:00 p.m. to 3:00 p.m. to review the REC RFP, and answer RFP-related questions from potential bidders. Who should attend? Eligible RFP applicants, including:

- Non-Profit Organizations
- Local Units of Government
- Economic Development Organizations
- Michigan Works! Agencies/Workforce Development Boards
- Business Associations
- Chambers of Commerce
- Post Secondary Education Institutions

DELEG is an equal opportunity employer/program.
Auxiliary aids, services and other reasonable accommodations are available upon request to individuals with disabilities.
